Procedure followed for Investment Decisions

All investment decisions, relating to the Schemes, will be undertaken by the AMC in accordance with the SEBI Regulations and the investment objectives as specified in the Scheme Information Document(s).

The Fund Manager(s) of the Schemes is / are responsible for making buy / sell decisions for the Schemes' portfolios and will seek to develop a well-diversified portfolio that minimizes liquidity and credit risk. The investment decisions are made by the Fund Manager(s) on an on-going basis keeping in view the market conditions and other relevant aspects.

It is the responsibility of the AMC to seek to ensure that the investments are made as per the internal / regulatory guidelines, Scheme investment objectives and in the interest of the Unit holders of the respective Schemes.

The AMC has formed an investment committee, currently comprising of the CEOs, Head – India Equity and the Head of Compliance, that meets at periodic intervals. The Investment Management Committee's role is to formulate broad investment strategies for the Schemes including investments in unrated debt Securities, reviewing performances of the Schemes and general market outlook. The detailed parameters for investments in unrated debt Securities would be approved by the board of directors of the AMC and the Trustees. For additional information on the specific procedure followed for undertaking investment decisions relating to each Scheme of the Mutual Fund, please refer to the relevant Scheme Information Document.

The Head – India Equity, is responsible for facilitating investment debate and a robust investment culture. After conducting a thorough fundamental and valuation analysis, the research analyst(s) will recommend the most attractive investment ideas for inclusion in the portfolio. The investment team comprising of the Head – India Equity, the Fund Manager(s) and the research analyst(s) would hold on-going meetings, as well as additional ad-hoc meetings as needed, to explore the investment thesis of individual ideas and to challenge the range of assumptions used by the respective analysts in the Active Equity space.

The AMC also uses a "passive" or indexing approach to try and achieve the investment objective of passively managed index tracking Schemes. Unlike other schemes, index tracking Schemes do not try to "beat" the markets they track and do not seek temporary defensive positions when markets decline or appear over valued. The AMC does not make any judgments about the investment merit of a particular stock or a particular industry segment or the underlying nor will it attempt to apply any economic, financial or market analysis. Indexing eliminates active management risks with regard to over/ under performance

vis-à-vis a benchmark. Passive approach eliminates active management risks pertaining to over/under performance vis-à-vis a benchmark. Further, the AMC also exercises the quantitative techniques for the schemes which aim to capture the massive amounts of financial information flowing through the internal systems on a daily basis, analyzing and transforming it to develop disciplined, rigorous approach to portfolio investing. The quantitative techniques apply the latest tools and techniques in investment management and information technology to identify and exploit under valued securities. With the rapidly increasing availability of online information, growing computational power, quantitative techniques to investing is already a significant phenomenon globally and is growing rapidly.

Monitoring performance of Schemes

The Fund Manager(s)/ Head – India Equity presents to the board of directors of the AMC and the Trustees periodically, the performance of the Schemes which will be reviewed by the boards of directors with reference to the appropriate benchmarks and each of the Schemes' performance will be compared with the respective benchmarks as provided in the Scheme Information Documents. However, the Schemes' performance may differ from the performance of the benchmark for reasons specified in the relevant Scheme Information Documents. The boards of directors of the AMC and the Trustees may review the benchmark selection from time to time, and make suitable changes as to use of the benchmark, or select an additional benchmark or replacement benchmark, or related to composition of the benchmark, whenever it deems necessary after recording an adequate justification for carrying out such change. The Fund Managers/Head – India Equity will bring to the notice of the board of directors of the AMC, specific factors if any, which are impacting the performance of the Schemes. The board of directors of the AMC on consideration of all relevant factors may, if necessary, give appropriate directions to the AMC. Similarly, the performance of the Schemes will be submitted to the Trustees. The Fund Manager(s) / Head – India Equity will explain to the Trustees, the details on the Schemes' performance vis-à-vis the benchmark returns.

Recording of investment decisions

The AMC will keep a record of all investment decisions in accordance with the SEBI Regulations. With regard to investments, individual security-wise reasons in equity and debt Securities shall be recorded. A research report analyzing various factors for each investment decision taken for the first time, the reasons for subsequent purchase and sales in the same scrip will be recorded.

(b)	Units received for a consideration where the aggregate fair market value of the units received exceeds the consideration by more than Rs.50,000	The difference between the aggregate fair market value of the units and the consideration

For this purpose, the fair market value means the value to be determined in accordance with methods prescribed.

For the purpose of computing capital gains on transfer of such units received without consideration or for consideration less than the fair market value, the cost of acquisition is deemed to be amount determined under (a) or (b) above, as the case may be.

(v) Deduction from Business Income

No deduction would be allowed for STT while calculating capital gains. However, where the units are treated as stock in trade and the profits arising from the sale of units are taxed under the head ‘Profits and Gains of Business or Profession’, the STT paid by the Unit holder can be claimed as a deduction from such business profits.

(vi) Deduction from Total Income

In terms of the provisions of section 80C of the IT Act, an individual or a HUF is entitled to claim a deduction in respect of the amount of subscription made to any units of any mutual fund referred to in section 10(23D), being a fund formulated in accordance with the Equity Linked Savings Scheme, 2005 (“ELSS”) notified by the Central Government in the Official Gazette vide notification no. SO 1563(E) dated November 3, 2005. The aggregate amount deductible under section 80C in respect of subscription to the units of the Mutual Fund (including the amount of Dividend reinvested), being an equity linked savings scheme and other prescribed investments is restricted to Rs 150,000.

(vii) Tax Deduction at Source

The Fund will use the following rates while withholding tax at source

Where the Unit holder does not have/ furnish a PAN, taxes will be deducted at the applicable rate or 20 per cent as per section 206AA of the IT Act, whichever is higher.

The Finance Act, 2016 provides an exemption to non-residents from the requirement of furnishing a PAN in respect of any payments made subject to conditions as may be prescribed. However, the conditions have not yet been notified.

(viii) Tax Treaty

In the case of a non-resident Unit holder who is resident of a country with which India has signed a Double Taxation Avoidance Agreement (DTAA), which is in force, income tax is payable at the rate provided in the IT Act or at the rate provided in the such agreement, whichever is more beneficial to such non resident Unit holder.

Further, where the rate of tax prescribed under the relevant DTAA is lower than that prescribed under the IT Act, tax would be withheld at such lower rate.

Further, as per the amended provision of section 90 of the IT Act, in order to avail the DTAA benefits a non-resident would be mandatorily required to obtain a tax residency certificate (TRC) along with Form 10F (where prescribed particulars are not explicitly mentioned in the TRC).

As per the provision of Chapter X-A of the IT Act, General Anti-Avoidance Rule (GAAR) had been introduced by the Finance Act, 2012 with effect from 1 April 2014. GAAR is a broad set of provisions that has the effect of invalidating an arrangement that has been entered into by a taxpayer, under certain circumstances, where the main purpose or one of the main purposes is to obtain a tax benefit. This provision is introduced to address aggressive tax planning and codify the doctrine of “substance over form”. Where an arrangement is declared to be an “impermissible avoidance agreement”, the income-tax authorities can determine the consequences in relation to tax, of the arrangement, as may be deemed appropriate, including denial of tax benefit under a DTAA.

The implementation of GAAR has been deferred to income arising from 1 April 2017 (i.e. Financial Year 2017-18). Further, investments made up to 31 March 2017 would be protected from the applicability of GAAR.

(ix) Tax on Income distributed by the Mutual Fund

Under the provisions of section 10(35) of the IT Act, income received in respect of units of a mutual fund specified under section 10(23D) of the IT Act will be exempt from income tax in the hands of all Unit holders.

In view of the exemption of income in the hands of the Unit holders, no tax needs to be deducted at source from such distribution by the Fund on or after April 1, 2003, under the provisions of sections 194K and 196A of the IT Act.

(x) Dividend stripping

Under the provisions of section 94(7) of the IT Act, where a person buys any units within a period of three months before the record date, sells such units within nine months after such date and the income distributed on such units is exempt from tax, the loss on such sale to the extent of the income distributed on units shall be ignored while computing the income chargeable to tax.

(xi) Bonus stripping

Under the provisions of section 94(8) of the IT Act, where a person buys units (original units) within a period of three months before the record date, receives bonus units on such original units, and then sells (all or part of) the original units within a period of nine months from the record date and continues to hold all or part of the bonus units, then the loss incurred on the original units shall be ignored while computing the income chargeable to tax but shall be deemed to be the cost of acquisition of the bonus units held on the date of sale of the original units.

(xii) Switching between Options

Switching between options of a Scheme will be effected by way of Redemption of Units of the relevant option and reinvestment of the Redemption proceeds in the other Option selected by the Unit holder. Hence Switching will attract the same implications as applicable on transfer of such Units.

(xiii) Consolidation or merger of schemes

Where there is a consolidation or merger of different schemes of mutual fund in the interest of investors, the units allotted in the consolidated scheme subsequent to the consolidation or merger would not be treated as a transfer and thus, the investor would not be liable to capital gains.

Further, the cost of acquisition in the consolidated or merged scheme shall be the cost of units in consolidating scheme and the period of holding in the consolidated or merged scheme shall include the period for which the units in consolidating schemes were held by the investor.

(xiv) Roll-over of Fixed Maturity Plans

In respect of units under the fixed maturity plans (FMPs), where there is a roll-over of FMPs, such roll over shall not amount to transfer as the scheme remains the same and accordingly, no capital gains would arise to the investor. The capital gains will arise at the time of redemption of the units or opting out of the scheme.

(xv) Set-off and carry forward of losses

According to the provisions of the IT Act, the capital loss resulting from sale of Units would be available for set off against other capital gains made by the Investor and would reduce the tax liability of the Investor to that extent. However, losses on transfer of Units held as long term capital assets would be allowed to be set-off only against gains from transfer of long-term capital assets. Where such losses arising from sale of Units held as capital asset cannot be wholly set-off, the amount of losses not set-off can be carried forward for a period of eight years. However, when the long term gains arising on transfer of units are not subject to tax then the long-term losses from such Units would not be allowed to be set off or carried forward.

Under the IT Act, a loss resulting from the transfer of units held as stock in trade or trading asset would be available for set off against income under any other head other than income under the head ‘Salaries’. Where such loss cannot be wholly set-off in accordance with the provisions of the IT Act, the amount remaining to be set-off can be carried forward for a period of eight years and set-off against income under the head ‘Profits and Gains of Business or Profession’.

(xvi) Minimum Alternate Tax

Under the IT Act, long-term capital gains arising on sale of units of an equity oriented fund and exempt under the provisions of section 10(38) of the Act, would not be excluded from the book profits while calculating profits chargeable to minimum alternate tax.

II. TAX BENEFITS / CONSEQUENCES TO THE MUTUAL FUND:

Where the Fund receives any income from investments made in overseas jurisdictions, the same may be subject to withholding tax (or any other tax) in the relevant jurisdiction from which the income is received. As the Fund is exempted from its entire income (including foreign income) in India, credit / refund in respect of such foreign taxes withheld / paid by the fund will not be available.

Income distribution, if any, made by all Mutual Funds (excluding Equity Oriented Mutual Fund Schemes, will attract distribution tax under section 115R of the Act at the rates listed below:

Table C

(ii)	Other than equity oriented fund and infrastructure debt fund	Individual or HUF	25 per cent
		Any person other than Individual or HUF	30 per cent

As per Finance (No. 2) Act, 2014, w.e.f. 1 October 2014, for the purpose of determining the tax payable, the amount of distributed income be increased to such amount as would, after reduction of tax from such increased amount, be equal to the income distributed by the Mutual Fund. This will result in increase in effective dividend distribution tax rate with effect from 1 October, 2014.

The aforementioned rates would be increased by a surcharge of 12% and an additional surcharge by way of education cess at the rate of 3% on the amount of distribution tax inclusive of surcharge.

II. Prevention of Money Laundering Act, 2002 (“PMLA”) and Know Your Client Requirements

In terms of PMLA and the rules, guidelines and circulars issued thereunder, Know Your Client (‘KYC’) processes are required to be completed for all Investors (including Power of Attorney holder and guardian in case of minor) irrespective of the amount of investment.

Pursuant to SEBI Circular No MIRSD/Cir-26/2011 dated December 23, 2011, SEBI (KYC Registration Agency) Regulations 2011 and SEBI Circular No. MIRSD/SE/Cir-21/2011 dated October 5, 2011, SEBI has introduced uniformity in the KYC process for all investors opening accounts with any intermediary in the securities market and has developed a

mechanism for centralized KYC records to avoid duplication of the KYC process across intermediaries in the securities market. The following processes are effective from January 1, 2012:

1. SEBI has introduced a common KYC Application Form for all SEBI registered intermediaries including mutual funds. New Investors are therefore requested to use the common KYC Application Form and carry out the KYC process including submission of the requisite documents along with the KYC Application Form and In-Person Verification (“IPV”) with any SEBI-registered intermediary viz. Mutual Funds, Portfolio Managers, Depository Participants, Stock Brokers, Venture Capital Funds, Collective Investment Schemes etc. The KYC Application Forms are also available on our website <http://www.goldmansachs.com/gsam/in/advisors/resources/literature/application-forms/index.html>.
2. On submission of the KYC application form and documents, the SEBI registered intermediary will perform the KYC and upload the details on the system of a Know Your Client Registration Agency (“KRA”). The KRA will send the Investor a KYC Acknowledgement Letter within 10 business days if the Investor is KYC compliant. The KYC Acknowledgement Letter makes the Investor eligible to deal with any SEBI registered intermediary.
3. Once the Investor has gone through the KYC process with a SEBI registered intermediary and has received a KYC Acknowledgement Letter, the Investor need not undergo the same process again with another intermediary including mutual funds. However, the Mutual Fund reserves right to carryout fresh KYC of the Investor.
4. It is mandatory for intermediaries including mutual funds to carry out IPV of new investors from January 1, 2012. The IPV carried out by any SEBI-registered intermediary can be relied upon by the Mutual Fund. The AMC and the Distributors who comply with the certification process of National Institute of Securities Market (NISM) or Association of Mutual Funds (AMFI) and have undergone the process of ‘Know Your Distributor (KYD)’, can perform the IPV. Further, in case of applications received by the mutual funds directly from the Investors (i.e., not through any Distributor), the Mutual Fund may rely upon the IPV (on the KYC Application Form) performed by the scheduled commercial banks. Pursuant to SEBI Circular dated December 26, 2013 on uniform KYC norms, certain information from Part I of the standard KYC Form, registered by KRA (KYC Registration Agency), has been shifted to Part II of the form with the intermediary to capture information specific to the area of activity of an intermediary. Accordingly, Investors are required to provide the information in Part II to the intermediary directly.

In line with SEBI Circular dated January 24, 2013 on identification of Beneficial Ownership, a 'Beneficial Owner' has been defined as a natural person/s who ultimately own, control or influence a client and/or persons on whose behalf a transaction is being conducted, which includes persons who exercise ultimate effective control over a legal person or arrangement. All categories of Investors (except individuals, company listed on a stock exchange or majority-owned subsidiary of such company) are requested to provide details about beneficial ownership in the format which the AMC may prescribe from time to time. The AMC reserves the right to reject/restrict further investments or seek additional information from Investors on beneficial ownership and/or any other KYC related information. In the event of change in beneficial ownership, investors are requested to immediately update the details with the AMC/Registrar. Further, Investors/Unit holders to note that in view of the SEBI circular No. MIRSD/SE/Cir-21/2011 dated October 05, 2011, CIR/MIRSD/2/2013 dated January 24, 2013 and CIR/MIRSD/2/2015 dated August 26, 2015 and AMFI best practice circular No.135/BP/63/ 2015-16 dated September 18, 2015 and 135/BP/62/ 2015-16 dated September 18, 2015 related to implementation of Know Your Customer (KYC) information, Foreign Account Tax Compliance Act (FATCA) & Common Reporting Standard (CRS) requirements and Ultimate Beneficial Ownership (UBO) declaration for

mutual fund investments, Investors/Unit holders have to also comply with the following requirements:

Implementation of KYC requirements:

(i) No Purchase/ additional Purchase request is accepted from the Investors whose KYC status is "on Hold" until they provide the missing KYC details on the KYC Details Change Form and complete the In Person Verification (IPV) with effect from November 01, 2015.

(ii) Existing Investors with KYC status as "MF-KYC Registered" have to mandatorily provide the missing KYC information and complete IPV in order to do further transaction (excluding Redemption) with the Mutual Fund including in the current Folio.

(iii) Investors shall also provide additional KYC details related to income, net worth, association with politically exposed person etc. on the Mutual Fund Application Form.

UBO details:

Declaration on UBO is mandatory for all new investment/switch transactions.

Existing Non-Individual Investors have to mandatorily update the UBO details with the Mutual Fund in order to continue to carry out any Purchase/additional Purchase/ switch transaction in their current Folio. The AMC shall reach out to the non-individual Investors whose details related to UBO are missing.

FATCA & CRS requirements:

FATCA/CRS declarations are mandatory for any new investment in Mutual Fund.

For all existing accounts opened prior to November 01, 2015 relevant FATCA/CRS declarations have to be submitted by the Investors to the Mutual Fund. In case the declaration/self-certification is not provided by the account holder(s) or the reasonableness of the self-certification cannot be confirmed, then the account will be reportable.

The Investors are requested to make a note that failing to comply with the above requirements (as applicable) no Purchase/additional Purchase/switch transaction will be allowed for new investment as well as investment under existing Folio. Investors are further requested to refer the relevant instruction part of the KIM cum Application Form before investing.

The Trustees / AMC shall have absolute discretion to reject any application, or prevent further transactions by a Unit holder, if after due diligence, the Investor/Unit Holder/a person making the payment on behalf of the Investor does not fulfil the requirements of the "Know Your Customer" or the Trustees / AMC believes that the transaction is suspicious in nature as regards money laundering. In this behalf the Trustees / AMC reserves the right to reject any application and/or effect a mandatory Redemption of Units allotted to the Unit holder.

If after due diligence, the Trustees / AMC believes that any transaction is suspicious in nature as regards money laundering, the AMC shall report any such suspicious transactions to competent authorities under PMLA and rules/guidelines issued thereunder by SEBI and/or RBI, furnish any such information in connection therewith to such authorities and take any other actions as may be required for the purposes of fulfilling its obligations under PMLA and rules/guidelines issued thereunder by SEBI and/or RBI without obtaining the prior approval of the Investor/Unit holder/any other person.

5. Investors / Unit holders are requested to also refer to the KYC sections of the Scheme Information Document of the relevant Scheme for further details in this regard.

III. Transfer & Transmission of Units

The Mutual Fund will offer and Redeem Units on a continuous basis after the NFO period in accordance with the Scheme Information Documents of the relevant Schemes. As the Schemes (other than the Schemes that are listed pursuant to the relevant Scheme Information Document) stand ready to Redeem Units on a continuous basis, the transfer facility is found redundant. Units of the Schemes (other than the Schemes that are listed) shall therefore be non transferable (except where such Units are held in dematerialised form). However, if a person becomes a holder of Units in the Scheme by operation of Law including upon enforcement of a pledge, then the AMC shall, subject to production of such satisfactory evidence, which in their opinion is sufficient, proceed to effect the transfer within 30 Business Days from the date of lodgement if the intended transferee is otherwise eligible to hold the Units. A person becoming entitled to hold the Units in consequence of the death, insolvency, or winding up of the sole holder or the survivors of joint holders, upon producing evidence and documentation to the satisfaction of the Fund and upon executing suitable indemnities in favour of the Fund and the AMC, such person, shall be registered as a Unit holder. In all such cases, if the transferee is not eligible to hold the Units, the Units will be Redeemed and the proceeds will be disbursed to the transferee if such transferee is entitled to the same.

If Units are held in a single name by the Unit holder, Units shall be transmitted in favour of the nominee where the Unit holder has appointed a nominee upon production of documents provided below to the satisfaction of the AMC / Registrar. If the Unit holder has not appointed a nominee or in the case where the nominee dies before the Unit holder, the Units shall be transmitted in favour of or as otherwise directed by the Unit holder's legal heir on production of the documents provided below to the satisfaction of the AMC / Registrar.

Any person who becomes entitled to a Unit as a consequence of the death or bankruptcy of any sole Unit holder or of the survivor of joint Unit holders shall not be entitled to receive notices of or to attend or vote at any meeting of Unit holders until such person is registered as the Unit holder of such Unit. If any person is entitled to be registered as the Unit holder or to transfer any Unit in accordance with the provisions of the Scheme Information Document, the AMC may retain any moneys payable in respect of such Unit on trust until such person is registered as the Unit holder of, or has transferred, the relevant Unit.

For Schemes launched under ELSS, in the event of the death of the 'assessee' as defined under the ELSS ("Assessee"), the nominee or legal heir as the case may be shall be able to withdraw the investment only after the completion of one year from the date of allotment of the Units to the 'Assessee'. The restriction of one year shall not apply to Units allotted to Investors other than 'Assessee's'. Accordingly, transfer of Units (allotted to Assessee's) to nominees as mentioned above will be carried out only after the completion of one year from the date of their allotment. Please refer to relevant Scheme Information Documents for further details in this regard.

Any addition/deletion of name from the folio of the Unit holder is deemed as transfer of Units. In view of the same, additions/deletions of names will not be allowed under any folio

of the Scheme. The said provisions in respect of deletion of names will not be applicable in case of death of a Unit holder (in respect of joint holdings) as this is treated as transmission of Units and not transfer.
